THE OLD DOMINION

COFFEE POT. CTIHIS new Corres Por, for which a patent has been I issued, possesses this advantageover all others you may bell coffee in it for any length of time, without a particle of the strength or aroun escaping. One-fourth less coffee is required, and the full flavor of the berry retained. A large number of testimonials have en received from those who have used it. We have space for only one:
THE OLD DOMINION COFFEE POT.—We have had in use now, for over two months, one of these much talked of coffee pots, and we find that it dies, in all respects that is claimed for it. You may boil coffee in the (Dominion for any length of time you choose, and yet lose none of the delicate aroma or strength. This desirable end is attained by a simple, but ingenious, contrivance in the shape of a condenser, with double syphons, by means of which the aroma bearing or, which usually goes all over the house or u the chimney, is condensed and thrown back into the coffee-boiler, and you have its delicious flavor in the coffee-boiler, and you have is selected our experience of coffee drinking, we never found anything equal to what we now have daily at our moraing meal. It is the perfection of coffee.—Philadelphia Evening Jour-For sale by J. W. WILSON, Nashville, Tenn.
